

SANTA CRUZ BIBLE CHURCH

Protocols for all SCBC Worship Services

Safety Practices

A: If you have symptoms of COVID-19

Your safety is the primary concern. If you or anyone you share a living space with experience any symptoms associated with a COVID-19 infection, please notify Santa Cruz Bible Church immediately and do not come to church. If you have not already done so, contact your healthcare provider. Staying home is for yours and everyone else's safety meaning you will not lose pay, or be penalized in any way due to calling out due to COVID-19.

Santa Cruz County has established a hotline for general questions about COVID-19. You can call them for anything from information about testing to questions about current guidelines.

Santa Cruz County COVID-19 Hotline (831) 454-4242

According to the CDC, COVID-19 symptoms include cough and or a shortness of breath or difficulty breathing or at least two of the following:

- Fever
- Chills
- Muscle pain
- Headache
- Sore throat
- Loss of taste or smell

If you have any of these symptoms or are tested and it comes back positive:

1. Do not come to church.
2. Notify the SCBC business office

If you do not have a healthcare provider and believe that you may need to be tested, there are free options available.

A company called Logistics Health Incorporated is offering free testing in Ramsey Park in Watsonville (1301 Main St, Watsonville, CA 95076) for Santa Cruz County Residents. Sign up on their website at:

<https://lhi.care/covidtesting>

LHI (888) 634-1123

Salinas Valley Memorial Hospital (450 E Romie Ln. Salinas, CA 93901) is also offering free drive-up testing. Step one is to call their hotline (open 7a.m. to 11p.m. seven days a week) where they will evaluate whether you should come get tested. If they determine that you need a test, they will instruct you as to when to come in. Their website is:

B: Returning to church

If you have symptoms of or have been exposed to COVID-19, you must stay home. If you do not display symptoms after fourteen days, you may return to work with a doctor's written clearance.

If you have had COVID-19, or have had a presumptive case (that is, you experienced symptoms, but are not tested) and have recovered, you will need to provide a doctor's note in order to return to church. If a doctor's note cannot be provided, please let us know and we will work with County Health to clear you to come back to church.
