## Going Further: Learning to Walk In the Way of Jesus

### Third Way Church: The Questions of Jesus

October 25, 2020

---

#### Passages

- Primary passage: Luke 6:46-49
- Matthew 7:21-27
- Philippians 3:20-4:1

#### Questions

- Opener:
  - What pressures have you felt in life to take sides in something?
  - How are you doing this week? What do you need right now? (Continue to refer to the Needs Inventory, see Additional Resources below)
- Share Experience:
  - Following Jesus involves both belief and action. Some Christians tend to be more belief oriented and some tend to be more action oriented. Remembering that this is a judgment free space, on a scale of 1-4, how would you rank the importance of each in your life?
  - Do you ever struggle with being assured of your salvation? Why or why not?
  - Do you love God first? How does that impact your love for neighbor, one another, and your enemies?
  - What barriers do you find in your life to loving in this way?
  - What foundation would you say you're building your life on: sand or rock?
  - When you think about your citizenship, do you tend to think of yourself primarily as a Christian, as an American, or something else?
- Dig Into:
  - In your own words, how would you describe the connection between faith and works in the Christian life?
  - In our world today, what does it look like to build your house on the foundation of rock? How about on sand?
  - How does the reality that Christians' ultimate citizenship is in heaven impact how we show up in everyday life?

## Creative Ideas

- Listen to the song "The Wait's Not Easy" by Citizens (See Additional Resources below). What thoughts and emotions does the song stir up in you? How does the song shed light on calling to belong first and foremost to God's Kingdom but continue to love like Jesus this side of his returning? What is it you most long for in the Kingdom of God?

## Practices

- This week, sit with Luke 6:46-49 at least 5 days. As you read, invite the Holy Spirit to help you see where He's inviting you to place your life on the more solid foundation of Jesus. Don't let this be an exercise in guilt or shame. Let the Spirit remind you at the same time how loved and accepted you are, just as you are, in Jesus. Make an intention, with the Spirit's help, to be more aware of this area of your life in the coming week.
- Building your life on the foundation of Jesus doesn't need to lead to a frantic flurry of activity. Make a commitment to practice a full Sabbath day in the coming week where you can have fun and relax knowing that your life is built on the solid, unmovable foundation of Jesus.

## How to use this Walking in the Way Guide

1. It's important to know that there's more material here than any one group can cover in one night. Please **DO NOT** try to get through every scripture passage, question, and creative idea. That is a recipe for discouragement and burnout!
2. Do use this guide as a way to spark some discussion following from last Sunday's message. As the Community Group Leader, you know your group the best. Select which elements from this guide would be most helpful and relevant to your group!
3. **Scripture:** We will always give two or more passages of scripture that are relevant to the topic from Sunday's sermon. Ideally select one passage and stay there. Use only two at the most. You may want to have someone read the passage out loud and then work through the questions from the *5 Questions to Ask When Reading Your Bible* guide below. This is a great resource to print out and give to every member of your Community Group to help guide their own Bible reading at home!
4. **Questions:** There are more questions here than you'll likely be able to get through in one night. Select some questions you think might resonate with your group and throw questions to the group for discussion until one really takes off! You know a good discussion is happening when group members are interacting with and responding to what each other is saying and not just what is coming from you as the group leader!
5. **Creative Ideas:** If you feel it will help your group, select one of these creative ideas to help your group process and interact with the theme for this week. Feel free to add in your own creative ideas as well!!
6. **Practices:** This is how we grow in grace! Practices are what move a good discussion from merely interesting to life transforming. These sample practices are given to help you and the group live into the reality that was talked about on Sunday and that you interacted with in Scripture this week. **Choose one or (at most) two practices that you as a group will commit to doing this next week to live into God's truth.** As you come back next week, debrief how those practices went the previous week!
7. **Sample Schedule:** Here's a sample timeline for how to budget your time for a Community Group meeting. Keep in mind, this is a suggestion, not a rule to follow. **Do what works best for your community!**
  - **Arrival:** Catching up and Snacks - 15 min
  - **Intro:** See how everyone's doing. Maybe throw out an icebreaker question. As the group gets more comfortable, you can use this time to debrief the previous week's practice. - 10 min
  - **Scripture:** Dig into one passage from scripture using the 5 Questions (See Below) - 25 min
  - **Discussion** - 20 min
  - **Closing:** Decide on which practice(s) you'll commit to this week. Spend time praying for each other and those you sense God is sending you to - 10 min

## **5 Questions To Ask When Reading Your Bible - Worksheet**

Whether you're a seminary professor or you've just recently picked up a Bible for the first time, these five questions can help you engage with Scripture. Try using it by yourself or with a group of people to read, understand and live out the Bible.

### **Question 1: What is going on in the passage?**

- What's happening here?
- Who are the main characters?
- Very simply, *what is*?

### **Question 2: What do I like about the passage?**

- What parts of this passage/story encourage me?
- What inspires, pleases or excites me based on what I've read?
- Why?

### **Question 3: What disturbs or startles me about the passage?**

- What is it about this passage that reveals truth that may be hard to accept?
- What disturbs me or jolts, confronts or even offends me in my understanding of God, His Son, the world or my life?
- Why don't I like that?

### **Question 4: What does this say about the nature of God and/or the character of Jesus?**

- What does this passage say about who God actually is?
- What does this say about the essence of his nature?
- What can I see about the character of Jesus (his patience, holiness, compassion, righteousness, etc)?

### **Question 5: What will I do with what I just learned in the next seven days?**

- How will we respond to what we've just read?
- What will I do with what I just learned?
- How do I make sure that this wasn't just intellectual ascent? How do I put this into practice?
